## FOLLIA MUSICALE ( M. Marchesi )

Giostré di diverse compagnie  
di disco music forsennate  
di cavalieri impazziti  
di dame superagitate.

Luci lampeggianti a mille colori  
mutevoli cangianti,  
atmosphère di fantastici splendori  
da mondi stellari volanti.

Nell'incredibile scenario  
piccoli fauni dinoccolati  
silfidi quasi nude tarantolate  
fiutano l'erba della vita.

L'estate s'appaga di frenesia  
la gioventù sogna spensierata  
senza chiedersi cosa sia  
la follia collettiva d'ogni serata.
